

All proceeds benefit:

At Beiler-Campbell we continually look for ways to serve our community and help those in need.

Family Promise of Southern Chester County helps children and their families experiencing homelessness achieve lasting self-sufficiency and stability by providing shelter, meals, and comprehensive support services through a network of congregations and volunteers until they find sustainable housing.

After-The-Bell is a unique and robust after-school program that provides middle school students in the Kennett Consolidated School District with safe, structured, meaningful, and fun activities that promote learning and growth. Since it was founded in 1998, After-the-Bell has provided after-school activities to more than 5,000 students at no cost to any student or family, and at no direct cost to taxpayers.

We ask that you take some time out of your busy schedule to have a great day of golf, enjoy wonderful food, socialize, and most importantly support two good causes.

If you are not attending, feel free to make a donation. We donated \$30K at last year's outing and are striving for more this year with your help.
